

**Driving Directions from Santa Fe Municipal Airport to
El Monte Sagrado Living Resort and Spa®**

Start out going West on **Airport Road/NM-284** toward Country Club Gardens.
Go approx. 1.8 miles.

Turn **Right** onto **NM-599 N/Veterans' Memorial Hwy** – also known as the **Santa Fe Bypass**. Travel approximately 10.3 miles.

Merge onto **US-285 N/US-84 N** toward **Española**. **As you know, there is a road construction zone north of Santa Fe**. We advise taking very seriously the speed limit signs! The Highway Patrol is writing a LOT of speeding tickets.

In **Española US-285** becomes **Riverside Drive**.

Riverside Drive becomes **NM-68N**.

Continue driving to Taos on **NM-68N**. In Taos **NM-68** becomes **Paseo del Pueblo Sur**.

Note that the road will narrow to two lanes before your turn onto Kit Carson Road.

Turn **right** at the intersection of Paseo del Pueblo Sur and **US 64 East/Kit Carson Rd**. If you were to turn left at this intersection, you would be at the Taos Plaza (which is marked). If you drive past the Taos Inn on your right, you will have driven past this turn.

About **four tenths (4/10) mile** on your left will be the entrance to **El Monte Sagrado**. Turn **left**.

Drive through the gate, and proceed forward for complimentary Valet Parking.
